Art Unit: 1623

Claims 5, 6, 8-13, 20 and 32 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in Paper No. 8.

Claims 1-4, 7, 14-19 and 25-31 have been examined only insofar as the elected species is concerned.

Claims 1-4, 7, 14-19, 21, 22, 28-31, 33 and 34 are rejected under 35 U.S.C. 103(a) as being unpatentable over Eichman (U.S. Patent No. 5,980,882) in combination with Ozaki et al (U.S. Patent No. 5,411,945) for the reasons stated in the Office Action of November 22, 2002.

Applicant's arguments filed November 14, 2003 have been considered but have not been found persuasive.

Applicant contends that the phrase "adapted to adhere to and dissolve in a mouth", previously found in preamble, is now moved to the body of the claims and overcomes the rejection. This argument has not been found persuasive. The cited art discloses the use of pullulan for the production of film. The specification fails to define what is meant by the terminology "adapted to adhere and dissolve in a mouth". It cannot be determined how the reference's film differs from the claimed film. Therefore the claimed film and the method for preparing the same are still seen to be prima facie from the cited prior art.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1623

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
